2020 HOUSE OF WORSHIP – RECAP

On the second page of this report you'll find the list of the applicants that were received for the House of Worship recognition. The event was cancelled in September and all were notified that they would be receiving their certificate in the mail after September 26th (preparing to go out in the mail the week of October 5th). They were told they would be invited to the next event in order to be formally acknowledged, along with any new applications that do come in for our next event, which should be in 2023.

2021 OLIVE FOSTER AWARD AND ORNDORFF SCHOLARSHIP

For the 2021 event the mailing list is in the process of being updated for all the regional offices of education in the state and this mailing should be going out by the middle of October. Deadline for these two are January 15, 2021. This information also goes to the Illinois State Board of Education who have graciously said they would add to their mailings (did you know they also do a teacher of the year award?).

Please note the Olive Foster Award application has been updated on the website to include YouTube videos of the teacher teaching students' projects, etc. will also be accepted.

2021 ANNUAL AWARDS

The deadline for entry has been change to November 30th in order to get the entries out to the judges in a timelier manner. In past years we would still be getting entries in at the end of January the follow year.
