More than 900 invitations to join again for 2023 letters went out to lapsed members dating back to 2011. As of now we've received more than 24 positive responses. The first 50 did/will receive our xmas tree ornament.

A letter of invitation to join will be sent out to the new General Assembly once they take office. As always, I have been advised to send mail to their district office.

Since we did not have the centennial event this year, the awardees were given a 2022 comp. membership and a renewal notice for 2023 is in the works for them. When we comp. memberships from the office, UIPress is not involved. We have enough extras in house to take care of ourselves and they are not added to the current membership that UIPress handles.

We urge all to please remember to use your "customer number" when renewing via email or online to UIPress. If you change anything in your name or address, most likely they will start a new membership for you. I'm still going through the membership and pulling out the duplicates and then notifying UIPress which ones to delete.
